

Prayer Letter from Steven and Robin Ose

Class Dismissed!

Dear Members of Trinity:

Grow your heart for God's word.

Give you greater skills in studying and teaching scripture through the inductive method.

Give you two weeks in Ephesians letting Paul's letter sink deep into your heart and mind.

Form a community centered on Christ.

Build lifelong friendships among Cru staff.

Form a habit of prayer as one on staff.

And more...

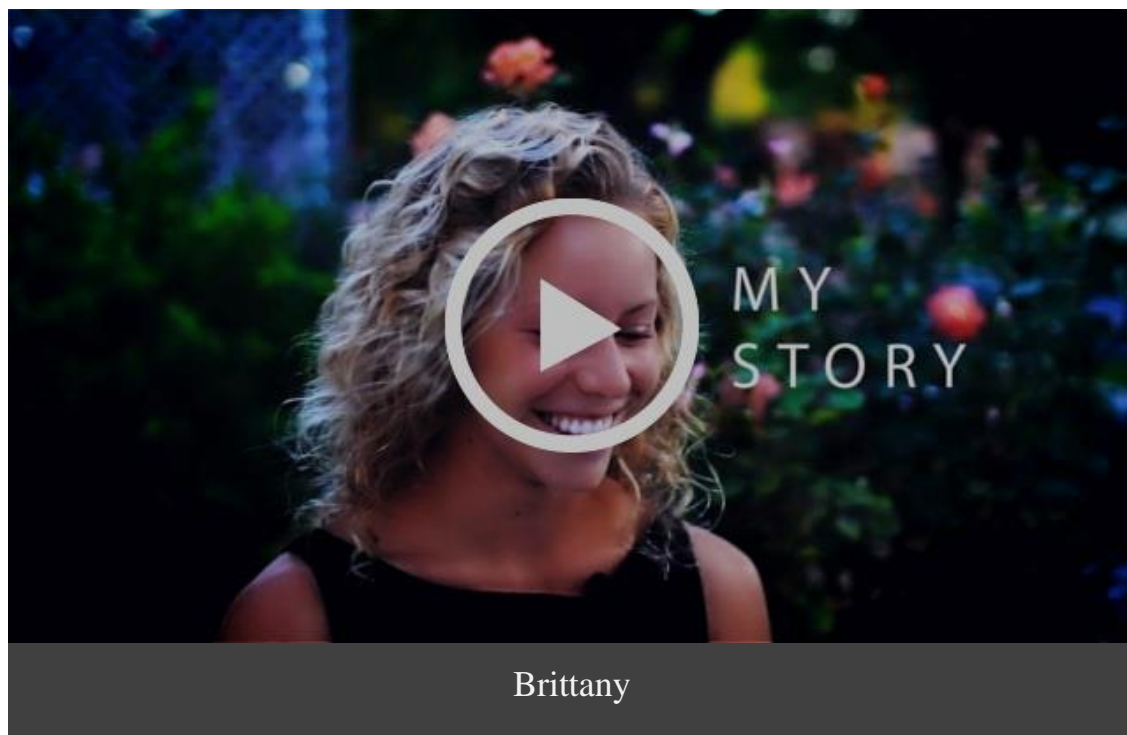

These were some of the course goals from the seminary class we just completed in Orlando.

It was pretty amazing to see the Holy Spirit fulfill each of these goals among these new staff.

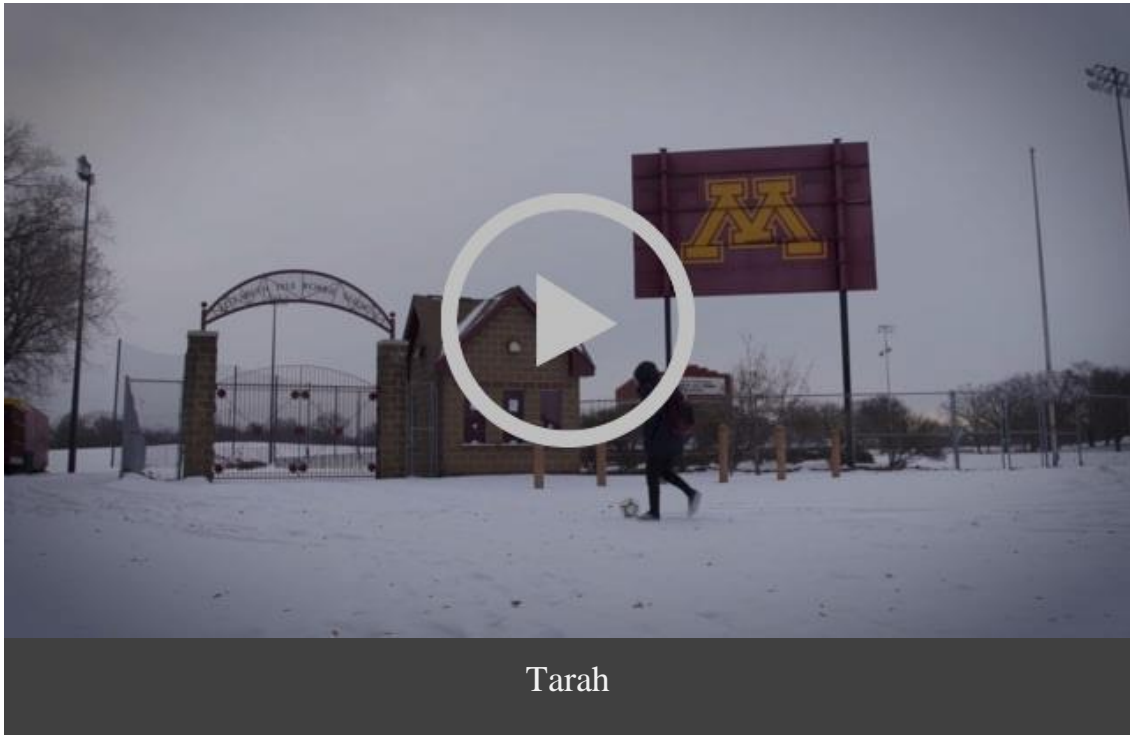

My class this term was quite varied in spiritual background. Some had been leading for years in their church and on their campus, while others came to faith less than three years ago. They each brought something unique, however. Almost as if there were part of a body, maybe even the body of Christ.

Take a look first hand at two of their stories and get a glimpse into their faith stories.
