A PUBLICATION OF TRINITY LUTHERAN CHURCH (ELCA)

~Welcome to Trinity Lutheran...Warm Hearts and Willing Hands~

## Dear Family and Friends at Trinity,

I am going camping over the Memorial Day Weekend. I am sure many of you are thinking that is a great way

to spend the weekend. Unfortunately, I hate camping. My idea of “roughing it” is the Holiday Inn without room service. I have never liked camping which meant I always felt like such a liar on the Sundays I was suppose to promote church camp to kids and tell them “It will be one of the best experiences of your life”.

My church camp days were awful, totally awful. AND, I have never understood the charm or taste of grilled foods or foods cooked over an open fire either, the exception being a hot dog burnt black and smothered in mustard.

So, you may be asking, “Why are you going camping?”. The answer is simple: because as much as I dislike camping, I truly care about the people who have invited me to go with them, and I would not hurt their feelings for anything. They are so excited that I am going with them, I couldn’t say “no”. Many years ago, when I was a college chaplain, and the woman was a student, I helped to save her life, and she is very important to me, as is her family. Camping is important to them, they are important to me, so I am going camping.

We often do things for people we care about even though, in all honesty, we would rather be somewhere else, doing something else. I have a dear friend who truly dislikes county and state fairs, and livestock shows of any kind but her daughter loved showing livestock at all of them and so for years my friend went to every show in which her daughter was an exhibitor. One of the happiest days of her life came when her daughter became too old to exhibit in 4-H or FFA! Wives often cook foods they dislike because they know it is a favorite of their husband or children. Husbands put up with throw pillows on sofas and piles of pretty pillows on the bed because they are important to their wife’s sense of décor. We go to plays and movies we would rather not see and listen to music we would rather not hear, because it is important to someone we love.

Jesus did not want to die—if we think He did, we misread Scripture and misunderstand His humanity. In the Garden of Gethsemane, He prayed that He might not have to die. BUT, He loved His Father and was obedient to Him and His will for us. Jesus died because He loved us!! Jesus rose from the dead because He loved us...and loves us still. Next time someone asks you to do something you really don’t want to do, if you love them, think about that.

## A HISTORY OF QUILT MAKING AT TRINITY

Since there has not been much activity for WELCA because of COVID, I decided to write about our quilting. We have been making quilts for 50 years, starting in 1971. There have been 5,160 + mission quilts made in that time which means an average of a hundred quilts each year.

In the beginning the quilts were made mostly from used clothing. We worked at church ripping, cutting pieces and doing most of the work at church. We remember Lavonne Huss at the ironing board. Several of us would bring our sewing machines. After Russell Nickerson retired he also brought his sewing machine and worked on the other side of the room! Some of us also brought our children if they were too young to be in school. Now the piecing is done at home so on quilting days the quilts are tied and hemmed around. We also have machines at church now though some bring their own machines.

Now our quilts are made mostly from new material which we are gifted with. Some is fabric that the owner no longer wants. We get a lot from people who no longer are able to or desire to sew. It does not all come from Trinity members, either. Another change is having the nice quilting room in which to keep our supplies. There were many years when we had to carry our supplies upstairs to the closet on the west side of the balcony.

I am not sure when we first started giving quilts to our graduates but I do know that the first years we would make some a little nicer

and let the kids pick from those. Now we ask the seniors what their special interests are and also their favorite colors. Then we go shopping and buy the fabric.

Our noon meal has evolved, too. To begin with we had potlucks. Then we decided to give the café' some business. This year we brought bag lunches!

**We would welcome you to join us in this project next year!**

The fish symbol has been added to their stole to remember how Jesus commissioned his disciples to become “Fisher’s of Men” using the Holy Gospel as their net. It is to let them know to always have their Savior Jesus Christ to turn to for help during bad times and to thank and praise Him for the wonderful times.**
